CELEBRATING THE MAGIC

When an international icon of freedom and fun pays homage to another undisputed trailblazer, the result is a unique blast of energy, character, and personality. To celebrate 100 years of Disney, discover a limited-edition Vespa dedicated to Disney Mickey Mouse, the most celebrated and charismatic character Walt Disney's pencil put on paper. Disney Mickey Mouse Edition by Vespa embodies the common values that the two brands have spread across the world for decades: spontaneity, light-heartedness, independence, positivity, energy and colour.

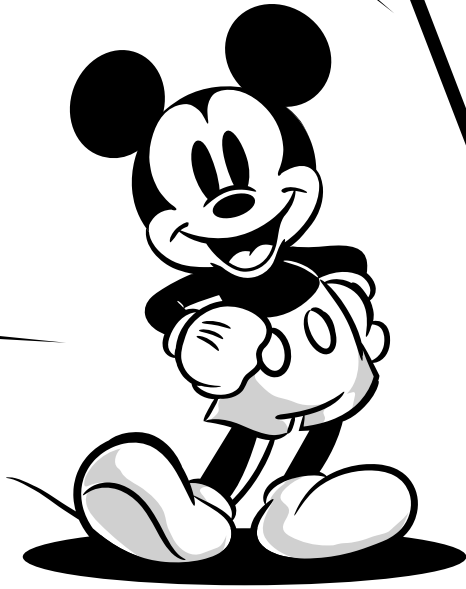

MICKEY MOUSE™

TWO TIMELESS ICONS COME TOGETHER

There are few characters like Mickey Mouse that are able to withstand the test of time as the pioneers of imagination from one generation to the next. Smart, adventurous, and funny, Mickey Mouse is the quintessential representation of being independent and carefree. It's easy to see how Mickey Mouse shares a common mindset with Vespa; for over 70 years this two-wheeled revolution has represented more than just a means of transportation, becoming a way of life and extension of a rider's personality. Witty and forever entertaining, Mickey Mouse and Vespa are timeless legends with an unmistakable style, who always reinvent while staying true to their own identity.

Disney

A DREAM COMES TRUE

Mickey Mouse is the protagonist of a limited-edition Vespa set to become a set to become an adored collector item collector's item, a travel companion which will let your imagination run free. The model features a fun take on the iconic elements of the Mickey Mouse style, turning them into distinctive features of the special Vespa Primavera, available in 150 cc versions.

Displacement availability subject to change based on local market.

WINNING DETAILS

Disney Mickey Mouse Edition by Vespa is an original and fun tribute to the world's most famous and loved mouse, starting from the unmistakable black, red, white, and yellow colours that make up the character's classic look. The inside of the wheel is in the same shade of yellow as Mickey's shoes, the black rear-view mirrors recall his round ears, and the chrome finishes enhance the outfit. On the front shield and the sides, a white graphic pattern inspired by Mickey's silhouette stands out on the metallic black background, and his iconic signature adorns the seat and front of the body.
